

# What is the Mid-Atlantic BQA Alliance?

*The Mid-Atlantic BQA Alliance  
is a unified attempt by BQA*

*programs in Pennsylvania, West Virginia,  
Maryland, Virginia and New York  
to provide similar training and standards.*

*While each state program has  
its own components included as  
addendums in the back of this manual,  
the program cores are the same.*

## **BQA Certified Producer**

NCBA Standardized Definition

- Any person who is responsible for the well-being of cattle
- This person will have completed a state BQA Certification process and production records are subject to an audit by their state BQA Program.
